Ghostly Greetings IS 201! It's Elly from class 751 speaking to you on this Motivational Monday. Today is indeed a special day. It is not only Halloween but it's also the last day of October! Hooray! And that means a new month is right around the corner. You're probably thinking, "Aww! Halloween on a Monday?!" I get what you mean!

In order to get motivated and celebrate Halloween, I have a fa-boo-lous quote to share with you! As said by Elvis Duran, "Halloween is not only about putting on a costume, but it's about finding the imagination and costume within ourselves." On Halloween, a majority of us would dress up in a costume. However, we often forget that we have our own special costume that's inside of us. Always keep in mind that you're the most magical and unique costume! You've done a great job this month and today's your day to have fun with your family and friends. Don't eat too much candy though, we don't want you to get sick. Remember we still have school tomorrow!

And as always, I would like to end today's message by reciting the SEAL team pledge with you.

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile

That's a wrap! Thank you for listening. The SEAL Team and I wish you all a
spook-tacular Halloween 😊
