

March 31, 2026

Good morning I.S.201! This is Leilani from class 731, here with you this
Talk A lot Tuesday on behalf of the S.E.A.L. Team.

Did you know that March 31st is National Crayon Day? Today we
celebrate one of the simplest, yet most powerful tools for creativity, crayons!

Crayons allow us to express our ideas, emotions, and imagination
through color. Whether you're drawing a masterpiece, taking notes, or just
doodling, every color tells a story.

As Pablo Picasso once said, "Every child is an artist. The problem is
how to remain an artist once we grow up."

So today, take a moment to be creative and add some color to your
work, your thinking, and your day.

Let's make it a colorful day here at IS 201.

Today's affirmation is, follow Einstein's example by thinking,
wondering, and caring.

Thanks for listening and have Technicolor Tuesday 😊
