Good Morning IS 201! My name is Celine from class 814, and I'm here on behalf of the SEAL Team for this Talk A lot Tuesday.

The word of the month is apathetic. If someone is apathetic, it means they don't care or don't show any interest or emotion about something important. For example, if there's a problem in school or someone needs help and you just ignore it or say, "Whatever," that's being apathetic.

Let's make a goal today to NOT be apathetic. That means we care about our work, we show kindness to others, and we speak up when something matters. Being involved and showing you care makes a big difference in your classroom, your friendships, and our school community. Let's all try to be the opposite of apathetic. Let's be active, caring, and kind!

Thanks for listening and have a Thoughtful Tuesday 😊
