

February 16, 2023

Good morning! It's Irene Qiu from 731 and I'm here this Thoughtful Thursday on behalf of the S.E.A.L Team.

Did you know today is Innovation day? Innovation is the process of coming up with a brand-new concept, method, or creation. And this day is to celebrate all these accomplishments. As Thomas Edison said, "The value of an idea lies in the using of it." Be innovative today, think outside the box and always look forward.

Furthermore, this is the ideal time to discuss the "Participatory Budgeting Project." You might be asking yourself, "What is that?" Now consider this: If the school were granted \$2500 to spend on enhancing student life and wellness at IS 201, what would you spend the money on? We'd like to hear from you. A survey has been posted in each grade hub. Look for it and complete it. Who knows, maybe your innovative concept is the one that will fit the bill.

Thanks for listening have a Take a Moment to Fill Out the Survey Thursday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way
We learn to control our emotions and feelings
So, we always have effective social dealings
No stone left unturned; no person left behind
Every member of our team has the power to be kind
We spread kindness to our friends, families, and those who need a smile
When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
