

January 9, 2025

Good morning, I.S. 201! My name is Celine from class 814, and I'm here on behalf of the SEAL Team for this Thoughtful Thursday.

Did you know that today is National Word Nerd Day?

Today, January 9th, we embrace the joy and power of words. Let's explore how words can uplift, inspire, and connect us to others. Words have the power to make someone feel included, valued, and understood.

Take today as a time to think about the kind words that encouraged you or made you feel valued, let's share that same positivity with others. How will you use your words to make today special?

Thanks for listening and have a Turn Your Words to Wonders

Thursday 😊
